Our Golf Courses

TWIN RIVERS COURSE @ TERRA NOVA

Twin Rivers Golf Course twists and turns through some of the most scenic and unique settings of any golf course in Canada.

Winding through forest and criss-crossing rivers and ocean vistas, the award-winning Twin Rivers is a "must play" course. The contrast of the beautifully manicured fairways and greens set against the dramatic and rugged beauty of nature - complete with moose, bald eagles and salmon - make a round at Twin Rivers a truly unique experience... found nowhere else in the world.

Highlights include: dramatic ocean settings on the 1st and 2nd hole; the secluded spruce lined fairways of the 3rd, 4th, 9th, 14th and 15th holes; the open links style 16th and 17th holes; and the spectacular river holes of 5th, 8th, 12th, 13th, and our signature hole... the majestic 18th.

EAGLE CREEK COURSE @ TERRA NOVA

Eagle Creek, a 9-hole course opened in July 2001, was designed by Robert Walsh, a native of Newfoundland. This 2,593 yard, par 35 course is a breathtaking course offering a challenge to the seasoned golfer as well as an alternate venue for those wanting a shorter program. Named after the bald eagles frequently seen over Clode Sound, this full 9-hole course is an added treat to Resort golfers.

Tournament Planner & Checklist

The following is a list of action items that the tournament organizer should consider. Many may or may not be pertinent to your event.

"I want to thank you very much for the extraordinary efforts put forth by the staff at the Terra Nova Golf Resort to make the 2008 NLGA Amateur Championship the best event that I have ever witnessed. Anyone who missed this event missed the event of the year! It was without a doubt the finest event that the NLGA has ever been associated with and it has everything to do with the Resort and it's management and staff, the golf course conditions, the grounds crew and superintendent's efforts...which were miraculous. Everyone I spoke with appreciated your professional approach to the event as a whole, down to the smallest detail"

"Again, thank you for hosting what has finally become the island's Premier Golf Event at what is truly the island's Premier Golf Resort".
