# Banquet Beverage Selections

"Thanks very much. Despite the challenges and low numbers, we really feel the conference was a great success! It's too bad there weren't more delegates to see what a beautiful spot Terra Nova Golf Resort is. It was a great setting for our conference.

All the staff were amazing – especially the kitchen; they were so accommodating with the vegetarians and picky eaters. And Trina was such a pleasure to deal with, especially with the changes that we requested and the contact information changing just a few weeks before.

Please pass along thanks to the staff at Terra Nova Golf Resort on behalf of FINALY! staff and the PYC (our Board of Directors). We were very pleased with the service we received."
